

# Pascua Yaqui T/RBHA CENTERED SPIRIT PROGRAM Policy and Procedure Manual

## **Section 1.0**

### **Scope**

The Pascua Yaqui T/RBHA Centered Spirit Program Policy and Procedure Manual describes the operational, fiscal, program and administrative policies applicable to T/RBHA Providers and Subcontractors.

The Centered Spirit Program Policy Manual is applicable to defined populations that may be eligible for our services and access public behavioral health services. This population is specific to Pascua Yaqui tribal members and their families, spouses and partners of tribal members, legal guardians of tribal members: and

- PY Tribal Title XIX and Title XXI eligible persons;
- PY Tribal Title XIX and Title XXI enrolled persons;
- PY Tribal Behavioral Health Recipients receiving emergency/crisis services;
- PY Tribal Non-Title XIX persons determined to have a serious mental illness;
- Special populations, including persons receiving services through the Substance Abuse Prevention and Treatment Performance Partnership (SAPT) block grant; and
- Other populations, based on the availability of funding and the prioritization of available funding.
