April 15, 2014

The Higher Education Assistance Program will be funding Summer Session in accordance with the Higher Education Program provisions of the Pascua Yaqui Tribal Code (Section 110, A). However, students on Probation Contracts are not eligible for Summer Funding.

Summer Funding is available to students who meet the following eligibility criteria:

1. Complete all credits they were funded for **both** Fall 2013 and Spring 2014 semesters and maintained a GPA of 2.0 or better.
2. The Program shall pay for only tuition and books for no more than nine (9) credits for the Summer Session.
3. Submit complete Summer Session Application by no later than Friday, May 16, 2014.

All Summer Session students are still required to have the Higher Education Assistance Program application completed for Fall 2014 semester by July 30, 2014. Keep in mind that your Fall 2014 funding will be contingent on your final grades for this Summer Session.

Students and families are encouraged to work with Yaqui Education Services to seek additional resources on funding opportunities such as the Free Application for Federal Student Aid (FAFSA). You may qualify for additional federal and state financial aid.
