The Five W's Of Life

Who you are is what makes you special. Do not change for anyone.

What lies ahead will always be a mystery. Do not be afraid to explore.

When life pushes you over, you push back harder.

Where there are choices to make, make the one you wont regret.

Why things happen will never be certain. Take it in stride and move forward.

The Pascua Health Department mission is to promote the highest possible standard for health and well-being of tribal members and their families within the Yoeme communities.

Our program services clients from newborn to elders. We provide a wide variety of services that include: home visits, medication assistance, escorts to provider visits, prevention, management and education of disease processes and much more.

We strive to ensure every client is our top priority.
