PASCUA YAQUI BOARD OF ELECTION SUPERVISORS
MAXIMIZING VOTER PARTICIPATION WHILE MINIMIZING HEALTH RISKS

- Voting is a right under the Tribal Constitution, and therefore is an essential activity.
- All voters were mailed Absentee Ballot Request Forms. Absentee Ballot Request Forms must be returned by May 22, 2020.
- Absentee Ballots can be returned to any Early Voting Polling Location, Election Day Polling Location, Election Board Office or by Mail. All ballots must be received by 7 PM on Election Day to be counted.
- There are increased In-Person Early Voting Opportunities during this election to reduce contact and long lines. In-Person Early Voting will be offered from May 19 – 22, and May 25 – May 28. Early Voting will primarily be conducted by **Drive Through** method.
- There is an additional Election Day polling location, which should reduce wait times.
- A voter can cast a ballot at any Early Voting or Election Day polling location.
- Curbside or Drive Through voting will be available and encouraged at all polling locations except the Casino.

**IN-PERSON VOTING GUIDELINES**

- The number of people allowed to enter the polling location at once will be limited.
- Voters waiting in line will be spaced 6 feet apart.
- Voting Booths will be spaced at least 6 feet apart.
- Check-in Locations will be spaced at least 6 feet apart.
- Voters will be given disposable gloves to wear for checking in and while voting.
- Voters will be given a disposable pencil to complete the ballot.
- Voters are encouraged to wear masks or facial coverings, and will be required to wear a mask if the Elections Board secures masks for voters.
- Voters are asked to not bring children and grandchildren into the polling locations.
- Voters are requested to not physically greet others.
- When possible, voters will enter and exit using different doors to prevent close contact.
- Poll workers will wear safety glasses, face masks and gloves.
- Voting Machines, voting booths, and other voting-associated equipment will be cleaned routinely.
- Bathrooms at the polling locations will be supplied adequately with soap, water, and drying materials.
- All polling locations will have alcohol-based hand sanitizer.
