Centered Spirit Program-St. Mary's Outpatient Clinic

Sincere thanks to all who attended our open house today. It was great to have you and we appreciate your support immensely. As you all know, it was a journey getting the services started and it took many hands and many hours, and much tribal support.

Thank you to all who contributed to getting us up and running. We have a great little team assembled and look forward to meeting the community's needs.

If you didn't have a chance to stop in, come by any time, we would love to show you around.
