Pascua Yaqui Tribe Confirms Shooting Incident on Reservation

Tucson, AZ – The Pascua Yaqui Tribe confirms that a shooting incident occurred on the Pascua Yaqui Reservation, resulting in four individuals sustaining injuries reported to be non-life threatening.

The incident remains under active investigation, with Pascua Yaqui Tribal Law Enforcement Detectives working in coordination with the Federal Bureau of Investigation (FBI) and the Tucson Police Department (TPD).

The safety and well-being of our Tribal citizens, residents, and surrounding communities remain the Tribe's highest priorities. We appreciate the coordinated efforts of our law enforcement partners as they work diligently to investigate the circumstances surrounding this incident.

As this remains an active investigation, additional details are not being released at this time to protect the integrity of the investigative process.
