

PASCUA YAQUI TRIBE VETERANS AFFAIRS OFFICE

HEROES AMONG US

Pascua Yaqui Tribe Veterans Registry

What is the Veteran Registry?

The Pascua Yaqui Tribe's Enrollment Department and the Pascua Yaqui Veterans Affairs Office collects Veteran information directly from the Veteran or their next of kin to identify Pascua Yaqui Tribal Enrolled Veterans.

The registry allows us to provide Veterans and their qualifying family members with valuable Tribal, State, and Federal information and services they may be eligible for.

Why register?

Registrants will receive timely and ongoing communication which includes Tribal, local, state and national news, program updates, and community events that are available specifically to Veterans.

How do I register?

The Pascua Yaqui Veterans Registry is available online at www.pascuayaqui-nsn.gov under the Enrollment Department page.

You may also register by visiting the Pascua Yaqui Veterans Affairs Office located in the Community Development Modular at 7474 S. Camino De Oeste, Tucson, AZ 85757.

Copy of Military Discharge Document (DD214) is required to complete registration process.

For assistance with obtaining DD214 you may visit the PY Veterans Affairs Office.

Have questions?

You may contact Melissa Durazo, Pascua Yaqui Veterans Benefits Counselor at 520.879.5148 or visit the PY Veterans Affairs Office.
