Continuation from part 1 of Notice of Appeal

In the event that this court denies appellants, Estella Matus, appeal, appellant asks the court to establish a clear visitation schedule with the minor child Antonia Matus. Appellant is concerned that making arrangements with guardian, Martha Martinez Ruiz, will result in her not being able to see her child. Appellant has had problems with trying to visit child in the past. Having a clear visitation schedule would elevate any problems that might otherwise result. Appellant would prefer a visitation schedule that would allow her to see child once a week, holidays, and a block of time in the summer.

Appellant would like to have this case reviewed in 6 months to re-evaluate the guardianship issue.
