) ORDER

Appeal from a decision of the Pascua Yaqui Tribal Court, Case No. CR-06-080, the Honorable Melvin R. Stoof, presiding.

Carmen V. Montiel, Appellant pro se.

This Court reviewed the appellate record and it finds that the appellant has a complaint about how the trial court judge conducted proceedings, which is a matter this Court cannot review because it is not a legal issue. Accordingly, the appellant's notice of appeal is dismissed.
